DOYER, N. J. Nov. 16 -A spark chine set fire to the powder in the United States government arsenal at Preatment, five miles from herer toda and resulted in a panic among women workers and the serious burning of four girls. The fire occurred in a building

where bags are made and filled with powder. Elizabeth Davenport and powder. Elizabeth Davenport and Theodora Spreckel were taken to hos-pitals in a critical condition from burns Mabel Tavers and Bridget Ryan were seriously burned. A fire brigade extinguished the flames.

Chilean Minister Dies, T (1610, Nov. 6 - Mr. Horboso, Chilean minister to Japan, died suddenly tonight in a hotel at Kicto.

TOLE TALK

There's a village not so far away, And every now and then we hear About the things we try to do And just how awful bad we are, Until we wonder now and then Just what their occupation is: If just to sit and growl at us Or try to clean their own back yards. For this we note; the other day They started on a brisk campaign For twenty thousand dollars strong, A worthy cause, to help the "Y." The village writhed beneath the storm; For thirteen days they hammered hard, And when they counted up their gains Their net was thirteen hundred bucks, Too bad they said, we don't know why, And then went up and closed the "Y."

AROUND THE LOBBY

Many changes are destined to be made in the Brady hotel within the near future. Few know that for the past month this popular hosteley has been under new management having been leased by T. T. Wells from W. T. Brady for a long period. The new manager said has evening he was going to redecerate and renewate the building throughout. These changed the policy of the hotel from that of the policy of the hotel from that of the American plan to the European," said Mr. Wells. "The lobby is now being redecorated and trimined and
